

GSA Start-up Grant Application - Spring 2018

Application Deadline: March 15

Please send a PDF of the completed application to group-gsa-grc@ncsu.edu

Distributed and evaluated by the Graduate Representation Committee of GSA. The GSA Start-up Grant is a \$150 award that serves as seed funds to support: (i) the launch of a new GSA chapter, or (ii) the relaunch of a GSA chapter that has not been in good standing for two consecutive years.

New GSA chapters may apply once a semester up to the given deadline. The review process can take up to a month based on the committee's meeting times. Following the Graduate Representation Committee's review, the applicant GSA will receive the \$150 grant through the same channels by which chapter rebates are normally issued if they were approved. The applicants will be notified via email of their approval status.

*****Please note that, in order to retain good standing, the applicant GSA must report how the grant funds were spent no later than the beginning of the semester following the expenditure. This report may be made in an email addressed to the account listed above.*****

Please use the space provided to describe your department's need and plans for a start-up grant.
