Interested in being on a university committee to help set the direction of NC State? Now is the time to apply!

We currently have an opening for a seat on the International Programs Committee. To learn more about the International Programs Committee, follow this link to the [NC State USC website](#), or feel free to email the [GSA Vice President for External Affairs](#) for more information.

Serving on an NC State University Standing Committee (USC) is a privilege and one of the most important and influential ways to serve your university community. Each USC tackles specific campus-wide issues that help guide the direction of the university in coming years. Seats on a University Standing Committee are very competitive and the Graduate Student Association is unable to guarantee you a seat. If selected, term will be effective immediately and run through May 2019.

The deadline to apply is January 23.
