Ad hoc committees shall be defined and approved by a majority of votes present. Committee members shall be appointed by the President. Ad hoc committees shall be disbanded by a majority of votes present.

Section 11 – Local Chapter Constitutions
Local GSA chapter constitutions must be in agreement with the GSA Constitution and must be approved by the Judicial Committee.

Section 12 – Financial Allocations
A. All financial allocations must be approved by a majority of votes present.
B. Once a financial allocation has been approved, it may be exceeded by the maximum of $50.00 or 3% of the allocated amount, whichever is larger, without further approval. Any other overcharge must be pre-approved by a majority of votes present.

C. Chapters in good standing with the GSA, in accordance with Article III, section 3, paragraph B, will be given a cash rebate each year. Except as described in Item 3 below, chapters may not receive their rebate until they have submitted to the Secretary by the March council meeting the name and email of the contact person for the chapter over the summer. Chapters must notify the Treasurer of the name and contact info of the departmental bookkeeper who handles finances of their FAS account by the April council meeting. The Treasurer should also be notified in the case of a change to a chapter’s FAS account number.

1. Fifty percent (50%) of the money allocated to chapter rebates will be equally distributed amongst all chapters in good standing with the GSA.

2. Fifty percent (50%) of the money allocated to chapter rebates will be distributed amongst all chapters in good standing with the GSA according to the following criteria which incorporate both the amount of council meetings attended and the size of the chapter:

\[
50\% \text{ of Chapter Rebate} = \left( \frac{1}{2} AR \right) \left[ \frac{(#CM \text{ attended} + #ICM \text{ attended})(# \text{size of chapter})}{\sum_{\text{Chapters in good standing}} (#CM \text{ total} + #ICMs \text{ total})(# \text{size of chapter})} \right]
\]

Where AR = allocation for rebates, CM = Council Meetings, ICM = Internal Committee Meetings, and “total” refers to the total number of meetings that occurred during the academic year. For internal committees, this “total” is normalized across all committees to be only one meeting per month school is in session.

3. Chapters that did not receive a chapter rebate from the previous academic year, including newly formed chapters, may apply for a $150 advance on their chapter rebate for the current year. In order to apply for this advance, a chapter must meet all requirements for good standing in Article III, Section 3, paragraph B and submit a separate application, endorsed by the chapter’s departmental Director of Graduate Programs, to the GSA Graduate Representation Committee. This application must propose a budget and timeline for the use of the $150 advance. A chapter that did not receive the previous year’s rebate due to loss of good standing must also explain in the application how the chapter plans to retain good standing. When the Committee approves an application, the chapter will receive its $150 advance through the same channels by which chapter rebates are normally issued. In order to retain good standing, the chapter must report how it spent the advance to the Committee no later than the beginning of the semester following the expenditure.

D. Not being in good standing is as defined in Article III, Section 3, Paragraph B.

E. Chapters who are granted funds through Block Grants must submit receipts for all of the expenses mentioned in their application. Failure to do so will be noted for future applications and will decrease the likelihood of future approval, but only within the same academic year.
